All forfeits, no matter what the cause, and all games vs. the BYE are by a score determined as follows. The largest goal differential in the bracket in which the team plays will be given to the team not forfeiting or team vs. the BYE, and the forfeiting/BYE team will be given a score of zero (0). For example, the greatest goal differential in a game is 4 goals in a 6-2 game. The score of the forfeit (and the BYE) will be a 4-0. A forfeit does not exist until the official start of the game, when one team fails to appear, or less than the number of players listed above for the appropriate age group appears. A team can win a forfeited game only if they are present at game time or the tournament committee has received in writing a signed statement from the coach or team administrator declaring the game a forfeit.

If at any point in the play-offs, a team chooses not to continue, PSI reserves the right to move other teams forward into its position, even if that team has already lost. Teams who choose not to continue may not be invited to participate in the Pacesetter Soccer Invitational in the future.

 4. Violence may result in more than a one game suspension by the Tournament Disciplinary Committee decision. If a player receives a red card, the player pass will be retained by the referee and forwarded to headquarters. After the suspension is served, the coach or team manager may pick up the pass in the headquarters tent.
- C. Un-served red cards will be returned to the coach at the coach's request at the conclusion of the team's final game.
 1. A red card report will be sent to the proper association within 48 hours of the team's last game.
 2. Unclaimed red cards will be held until forwarding instructions are given by the team or club official.

17. UNFINISHED GAMES:

In the event any match is stopped before full time, all players must remain available at the site until a resolution is determined. In the event the stoppage is due to severe weather, everyone shall take cover, but remain at the site.

The tournament committee will determine whether an unfinished game shall be forfeited, resumed or replayed, based on the circumstances at the time play was suspended. If neither team is adjudged at fault, a game may be resumed, replayed or considered complete. If neither team is adjudged at fault, the following rules apply:

1. Tournament final games must be played to completion, except in extraordinary circumstances. If play is stopped during the second half and play cannot be resumed as determined by the tournament or site director, and if neither team is at fault, the tournament committee may deem the game complete. If play can continue, the tournament or site director will determine whether to resume and at what point the game will resume. If play is stopped at any time due to one of the teams being adjudged to be at fault, it shall be at the discretion of the tournament committee whether the game is to be replayed or declared a forfeit.
2. For all other competitions, if the game is stopped during the first half, if time permits, the game will be completed. As a second alternative, the first half will be completed. If time does not permit completion of a game that has not reached half time, a tie will be declared, the score will be recorded as a 2-2- tie and each team will receive one point towards advancing. If the game is stopped during the second half, if time permits the tournament and/or the site director will decide if the game shall be completed. If the game cannot be finished, the score at the time of stoppage will become official for purposes of advancement.

18. DRAW:

Placement into brackets is by double-blind draw. Prior to the draw every attempt will be made to separate teams who have played each other in their 2019-2020 league season; however, there is no guarantee. Bracket position will be determined by each team's league/tournament success for the past two seasonal years. Any crossover games between groups shall be drawn by lot or determined prior the draw.

19. SCHEDULING:

Teams may indicate a preference to not play at a particular time; however, there is no guarantee that the request will be or can be honored. Entry by a team is a commitment to play games as scheduled.

Requests for game changes will not be accepted after the schedule is final. A preliminary schedule will be posted and e-mailed to a team official by MAY 8th, 2020. At this time, coaches of multiple teams can list their potential conflicts. Consideration will be given but cannot be promised, for resolving conflicts. Conflicts and requests for changes will be entertained at that time, but no guarantees for changes will be made.

The final schedule will be posted and e-mailed to the team official on MAY 12th, 2020. All game times are subject to change, at the discretion of the tournament committee.

20. ADVANCEMENT:

- A. Group standings shall be determined on the basis of 3 points for each win, 1 point for each tie and 0 points for each loss.
- B. In normal circumstances, divisions with eight or fewer entrants will not have more than two teams advance. If three brackets exist, the following advance: each group winner plus one team designated the "Wild Card" defined as the next best standing of all teams. In 4-group divisions, group winners advance. In some divisions, the top four records, regardless of bracketing may advance. An attempt will be made to separate teams in the semi-finals who have played each other in the preliminary round. For example, if Winner A has played the Wildcard, the bracketing will be changed to Winner A vs. Winner C and Winner B vs. Wildcard. If this pairing produces teams who have played each other, the tournament director will draw for positions for semifinals. That draw may result in seeded teams playing in the semifinal, but that draw for position will be final.

GROUP STANDINGS TIE BREAKER: In the event of ties in the group standing, the following procedure will determine the group winner:

1. Team with the most wins (if tied go to step 2).
2. Winner of the game played between the tied teams. (If three or more teams are tied for the group lead, step 2 is by-passed, go to step 3).
3. Highest number of total NET goals (goal differential). Maximum goal differential per game is six (6). (i.e. For a score of 7-1, goal differential is 6 for the winner and -6 for the loser. For a score of 9-2, goal differential is also 6 and -6 as above).
4. Fewer total goals allowed (gross).
5. Penalty kicks (FIFA laws of the game). If two advancing teams are tied, their bracket position will be determined by a coin toss. The selection remains subject to the rule designed to exclude semi-final play against a team played in qualifying rounds.

** If more than two teams are tied in points, the sequence shall be followed until one or more teams are eliminated. Once one or more teams have been eliminated, the remaining teams still tied shall then restart the sequence above until the tie is broken.

WILD CARD SELECTION PROCESS: The selection of a wild card team, if required, shall be determined by:

- 1 Non-group winner with the most total points.
- 2 Non-group winner with the most wins.
- 3 Winner of the game, if applicable, played between the tied teams (If three or more teams are tied for the wildcard, Step is bypassed, go to Step 4).
- 4 Net Goal Differential (See #3 above)
- 5 Fewer total goals allowed (gross).
- 6 *Penalty kicks (FIFA laws of the game, see definition below). If two advancing teams are tied, their bracket position will be determined by a coin toss. The selection remains subject to the rule designed to exclude semi-final play against a team played in qualifying rounds.

*If penalty kicks are to be the deciding factor as to which teams advance out of the group stage and it is at a time and location that does not immediately follow a competitive game between the involved teams then all rostered players will be eligible to take a kick. All other FIFA penalty kick rules apply.

If more than two teams are tied in points, the sequence shall be followed until one or more teams are eliminated. Once one or more teams have been eliminated, the remaining teams still tied shall then restart the sequence above until the tie is broken.

TIE BREAKERS SEMI-FINAL, AND FINAL GAMES: Ties during championship or playoff games are settled by 2 x 5 minute overtime periods. Both periods will be played in duration. If a tie still exists after 10 minutes of play, FIFA penalty kicks will prevail.

21. GAME REPORTS AND SCORING

At the conclusion of the match, team officials (manager or coach) must report to the referees to retrieve team player cards and verify and sign the official game report. The winning team is responsible for carrying the game report back to the scoring table (located in the tournament headquarters tent). Upon the commencement of semifinal or final play, all prior scores will be considered final.

Scores will be posted as quickly as possible on the official scoreboard located next to the tournament headquarters tent. Coaches should report any discrepancies to Headquarters prior to their next game. If wild cards need to be determined, coaches need to report their score immediately after their Sunday morning games. 33. OHIO'S CONCUSSION AWARENESS LAW:

Ohio has passed a law, formerly House Bill 143, that requires all Coaches, Referees and league officials to undergo Concussion Awareness training every three years. This law applies to all youth sports including recreational, travel, indoor and premier soccer. The new law, ORC 3707.52, becomes effective April 26, 2013. As part of that law, the Ohio Department of Health (ODH) is required to produce a Concussion and head injury information sheet and also provide links to free training on concussion awareness. ODH has done that and the information may be found on their web site at:
