Rosters

Teams may roster up to 12 players at 9U/10U with a limit of 5 guest players, 16 players at 11U and 12U with a limit of 5 guest players, and 18 players at 13U-15U with a limit of 5 guest players. Guest players must be from the same club, the same level and division of the registered team, or lower. An official guest player roster must be submitted at registration. No player may be on the roster of more than one tournament team. Rosters are frozen at the time of registration. MYSA photo or digital rosters are acceptable for team rosters at registration.

Registration

Teams that register with the Head of the Lakes Tournament assume that each team will be placed in the age and class in which they are registered, or within one age bracket should their level dictate, within their state soccer organization. Teams are allowed to request to play up in age level and/or competitive division, however, the final determination of whether a team will be permitted to play up will be made by the Head of the Lakes Tournament Committee and Gitchi Gummi Soccer Club. Any team that fulfills the age requirements to play at a lower age bracket, contrary to initial registration requests, may do so in accordance to the rules of the tournament and approval of the tournament director.

On-site registration will open Friday, June 11th at 2pm at Stebner Field. All teams **MUST** check in at least one hour before the start of their first game. Rosters, **VALID** player and coach(es) passes, medical forms/waivers (club waiver/medical forms are acceptable), and guest player forms are required at check in. Remember, **no pass/no play/no exceptions for players and coaches**. Referees will also check credentials at the start of each game. USYS/FIFA travel procedures require that written proof of permission to travel, for each non-Minnesota Youth Soccer Association (MYSA) affiliated team, must be submitted to the host 15 days in advance of the tournament. In addition, such teams will be required to show proof of insurance upon check-in.

Rules

All games will be played in accordance with FIFA Laws of the game as modified by USSF and MYSA.

The number of players on the field and length of games are as follows:

9U and 10U	7v7	two, 25 minute halves
11U and 12U	9v9	two, 25 minute halves
13U and 15U	11v11	two, 35 minute halves

No team will play more than 2 games on a given day unless deemed appropriate or necessary by Tournament Director. All teams must be prepared to play on Friday, June 11, 2021. Teams may make a special request, but special requests are NOT guaranteed. Teams are guaranteed 3 games. Championship games will be played on Sunday, June 13, 2021. Game times can be scheduled on Friday between 5pm–8pm,

Saturday, 8am–8pm, and Sunday 8am–5pm. Any team that forfeits one or more games or leaves the tournament early will be reported to their home clubs and MYSA. Such forfeitures will be considered in determining future Head of the Lakes Tournament acceptances.

A field marshal will monitor each game and will report inappropriate conduct to the tournament director. Unruly fans may be asked to leave the tournament site. Similarly, referees will monitor coaches for rude, confrontational and threatening behaviors. Coach passes may be taken and suspensions may be administered. Red cards will follow MYSA rules. Referees will be USSF certified and use the 3 referee system except for 9U/10U which will use 1 center referee. The referee has the final decision on the safety of players' equipment or clothing. A player will be allowed to wear a cast only if, in the opinion of the referee, it is well-padded and will not constitute a risk of injury to the player or others. Other braces are subject to the same discretion of the referee. All referee decisions are final. Protests that are due to circumstances other than a refereeing decision will be resolved by the tournament director before the team's next game.

If a coach is out of control, a referee may request the coach to leave before a game continues. If a coach is asked to leave a game, the referee will retain the member's pass and will send it to the MYSA office along with the appropriate game report. The coach will serve an automatic mandatory two-game suspension. See referee respect addendum.

Club Passes

We will adhere to the MYSA policy on club passes.

Scoring

Scores will not be kept for 9U/10U games and no playoffs will be scheduled. For 11U and older, the following scoring system will be used:

6 points for a win

3 points for a tie

1 point for each goal scored, up to 3

1 point for a shut out, example: 0-0 tie equals 4 points

Maximum points per game is 10

A forfeit in play will result in a score of 3-0 and 10 points.

Tie breakers after pool play:

- Head to head winner (except if three or more teams are tied)
- Winner of most games
- Goal differential-goals scored minus goals allowed with a max of 3 per game
- Fewest goals allowed
- Most shut-outs
- Coin toss

Results of each game will be posted at both venues once confirmation has been made with the on-site field marshal, referee assignor, and tournament director or such elected official. Notification of advancement into second round play will be made available in person at each location and on the tournament website.

First and third place games that end in regulation in a tie will be decided by two, 5-minute overtime periods. If still tied after completion of both 5-minute overtime periods, under FIFA rules, penalty kicks will determine the winner. The teams will alternate, each taking 5 penalty kicks. If still tied after completion of the 5 penalty kicks, the teams will alternate taking additional penalty kicks until there is a winner (sudden death). Any rostered player is eligible to take the penalty kicks.

Concussion Policy

This tournament, held by the Gitchi Gummi Soccer Club and sanctioned by the Minnesota Youth Soccer Association, requires compliance with Minnesota Statue 121A.37 in accordance with the Gitchi Gummi Soccer Club and MYSA Concussion Policies. All participating coaches and referees are required to take concussion training. Adverse Weather/Other Emergencies/Miscellaneous

The Head of the Lakes Tournament will abide by guidelines set by MYSA. If adverse weather affects playing conditions, the tournament committee reserves the right to shorten, reschedule, or cancel games without penalty, financial or otherwise. If the entire tournament is cancelled 24 hours or more prior to the first scheduled match, the tournament committee will refund the registration fee, less an administration fee of \$75.00 for 9U-10U teams and \$100.00 for 11U-15U teams. Should games be cancelled after the start of the tournament, no refunds will be issued.

Referees or field marshals, in consultation with the tournament director may suspend play for lightning. If games are stopped due to inclement weather and cannot be restarted, score at stoppage will be the final score. Games that cannot start because of weather will be scored a 0-0 tie.

Emergency first aid will be available at the tournament site, but coaches and managers should provide water and ice for their teams.

The Head of the Lakes Tournament is a tobacco, alcohol, and drug-free event.

Please be advised that these rules will be enforced to help foster good sportsmanship and participation by all.
